

## **Mariah and Zoey's great adventure**

One day a long time ago there was a girl named Mariah. She was going through the great depression just like everyone else. During the great depression Mariah's parents didn't have enough money to let her go to the library to check out books. Only rich children could check out books. The other problem was that Mariah didn't know how to read or write. She had no sort of education all she knew how to do was talk and clean around the house. One day when Mariah was outside cleaning a rich girl named Zoey was lost in the woods. Luckily, Mariah was outside to help her find her way back home. Mariah told her mom how she was going to help Zoey find her way out of the woods to Zoey's house. Mariah's mom said, "no, Zoey's a big girl. She got lost in the woods she can get out of the woods herself." Mariah's mom's name is Jessica. Mariah then said, "mom your so unfair, I hate you!!!" Jessica then said, Mariah go tell your friend you can't help her and go up to your room." Mariah walked outside and went to Zoey and said, "Zoey, stay were there are no windows I'm gonna sneak out and help you home." Zoey then walked down back the way she came then snuck behind some bushes were she was sure Mariah could see her. So Mariah jumped out the window and landed on Zoey. "OUCH!!" Zoey yelled. "Shhh" Mariah whispered quietly. Then they started walking and they got all the way to Zoey's house. Then, back at Mariah's house, Jessica goes into Mariah's room and sees that Mariah snuck out so she stayed in Mariah's room. 25 minutes later, Mariah crawls into her window and sees her mom, Jessica, sitting on the her bed. Mariah says, "Mom I had to help Zoey home she had no idea how to get home," before her mom could say something. Her mom forgave her and they lived happily ever after.

The End.
