

**Fluffball of Fury**  
**By Madison V**

You race around the entire room  
You put an extra 'o' in zoom  
You jump on me with muddy claws  
And scratch my legs with your sharp claws You chew my shoes and make a mess But it's  
okay, you don't know what's best You bark at birds and people at the door When I'm with  
you it's never a bore!  
After I get hurt you try to help me mend You're my fluffball of fury and I'll love ya' 'till  
the end!
