

## THE RABBIT AND THE HAT

Jack the rabbit could never fit inside the magician hat he always ate too much carrot to fit inside the hat. One day the magician had an idea to shrink the rabbit with his trick he always wanted to try but no human wanted to test it out because he was a crazy man. The man said geared sweat gun and the rabbit shrink into the size of a miniature poodle. The next day he checked on the rabbit and he was the size of a full grown German Shepard. The crazy man went to the vet to see what was wrong with him the said you rabbit must be allergic to magic give him a couple of days and he should be back to normal. Two days later the rabbit was back to his normal size and that why the rabbit and the hat never match.
