

My Biggest Dream

My biggest dream is to be on American Idol. Because I love to sing. If I was on American Idol that would mean the world to me. Just a few days ago I was in the talent show at Sullivan middle school I was singing oooo I sang a song by Celin Dion “Because you loved me” that’s my favorite song. It really is sad but I like it and my dad got married to that song. So that’s my biggest dream and if I was on American Idol that would mean a lot.
