

The NightMare!

Sitting in My room because one reason + one reason only. My big mean, ugly, old mom. You know She had the nearv to yell at me only because I asked her if I could go to Orland's Winter Party. So when I started crying my eyes out I fell asleep but when I woke up... We were Swimming in the pool + as usuly you were in the Deep end but this time you couldent swim so you were drowning! And the worst part was I couldent swim either so you were in 8ft & I was in 3ft and I couldent Save you! And you drowned and died! Than I woke up. So mom I'm so sorry for getting mad at you! Because the truth is I Love you and I don't ever want that to happen to you!!

I Love you MOM!
