

## If I Owned the Cowboys

The cowboys would be unstoppable. My coaching staff would be strong. My first decision would be to keep Terrell Owens, move Kieth Brooking, get Ray Lewis. I would get to be cool with every team and have them get inside trade off with their money for two of my weakest players for at least 20 million. I would demolish other teams, win 3 super bowls in a decade. Rebuild my offense. Send Tony Romo to Oakland or something. Try to pick up Tim Tebow or somebody to help out the offense.
