

Patrick: I want to be a pilot. To come roaring out of the sunny blue sky; my engines ablaze. To have a sense of self-satisfaction as I cut through the sky line an arrow. My goals are hard but not insurmountable. I will accomplish them by joining the military. Some people ask me if I am afraid to die. I respond by quoting, "There is nothing to fear but fear itself."

Corey: I want to be a world famous record label executive that will earn multi-millions of dollars over my career signing artists because I listen to a lot of music. I can get there by getting degrees in business and communications.

Jamal: Well, for one thing finish high school. Eventually graduate college. One day become a Air Traffic Control Man. I want to have a purpose. I want to have a purpose, I want to save lives and prevent disasters. And of course make a lot of money.

Jon: I want to be an all star running back for the Denver Broncoes, and I will succeed by getting good grades in high school to be ready for college on a full ride scholarship.
