

The Date

She waits there for him on a cloudy day. Hours pass by, and yet nothing happens. It starts to rain and she walks away where she was waiting for him. The guy comes to the meeting place with one hand in his pocket and a smile on his face. Yet, he doesn't see her anywhere. He finds a picture of them on the wet ground. He grabs the picture and sits under the rain. He cares less about the rain because he only wants her. The young girl comes up behind him and asks him, "What are you doing here?" She leaves quickly but he grabs her and gets down on one knee and asks her to be with him forever, then the rain stops and the sun comes out and she's been waiting for him. They walk away together.
