

DREAMS

Have you ever had that dream that could set you free.

Just like t.i.p. he came outta the streets of the ghetto's into the good.

I remember when i was younger i had dreams of being rich!! chea it never came tru but its okay.

i steal dream till this day, but with more sense and a little pray.

my brutha had a dream of becomming famous, but he was burned and didn't make it

My life i wished it would have ended, but i succeed and made it through.

My dreams may not all be here, but iim about ta graduate and everybody that was a fear is NOW

Know where NEAR .
