

Review of *The Fire Within* by Chris D'Lacey

A new tenant moves in with the Pennykettles and mysterious things happen. David, the new tenant, determines to find out why they say clay dragons are real. He himself gets a dragon. David called this dragon Gadzooks. There are lots of other dragons in the house. Liz determines to try and keep the secret hidden from him. Lucy is worried about squirrels out in the backyard that need help. Read this book to take your mind soaring with dragons and other wild animals.
